Abstract Guidelines
2025 MidSouth Pharmacy Residents Conference

Each abstract will be published in conference materials exactly as submitted. Please have your abstract ready for submission prior to registering. Residents are encouraged to ensure all grammar, punctuation, and capitalization are reviewed before submitting the final document.

Failure to adhere to these guidelines may result in your submission not being published in conference materials.

Abstract Guidelines:

1. Please adhere to Abstract Submission Style (example on page 2):
   - **Title**: Limited to 2 lines of text (short, specific titles are preferred)
   - Include all authors' name(s), affiliation, city and state (do not use degrees or titles)
   - The **remaining** sections (listed below) must be included, and **collectively must be 350 words or less**
     - **Background/Purpose, Methods, Results and Conclusion**

2. If the Results of your work are not completely analyzed at the time of abstract submission, present what you have and describe these as preliminary. If no results are available at all, please indicate that results will be described.

3. The 2025 conference will include the option to submit your abstract to be considered for Top Abstract!
   - These submissions **must** include Results
   - These submissions are due earlier than the standard abstract submissions as they must be reviewed
   - Top Abstract will be announced during the conference
