

Volunteer Background Checks at ALSAC

ALSAC requires volunteers serving in certain roles to complete a background check. These roles were determined based on performing activities that present a higher level of risk to the organization, including:

Interacting with children

Accessing sensitive information

Accessing ALSAC systems

Handling money

Managing volunteers who perform these activities

Roles that require a background check will be clearly marked in the VMS.

Background Check Required

Once you sign up for one of these roles, you will initiate and monitor your background check through your volunteer dashboard in the VMS.

Provide the following information:

- ✓ Legal name
- ✓ Date of birth
- ✓ Social Security Number

Most background check reports are complete within **3 days**. Sterling Volunteers will notify you when your report is ready.

We take the security of your personal information and data seriously. Sterling Volunteers is a leader in

the volunteer background check industry. Their background checks are housed in a completely secure environment and they are contractually obligated to comply with all local, state, and federal guidelines. Only a small number of ALSAC staff will be able to see your report, and no one will have access to sensitive information such as your Social Security Number.

If you have any questions about the background check requirements, email us at:
VolunteerLocal@stjude.org
